Philosophical Knowledge | Simply Philosophy Philosophical Knowledge In a previous series, I claimed that knowledge varies with the science the knowledge is a part of. Since I am most interested in philosophy, I thought I would discuss some of the issues peculiar to philosophy. Knowledge | Internet Encyclopedia of Philosophy Knowledge. Philosophy's history of reflection upon knowledge is a history of theses and theories; but no less of questions, concepts, distinctions, syntheses, and taxonomies. All of these will appear in this article. They generate, colour, and refine these philosophical theses and theories about knowledge. Philosophical Knowledge: Its Possibility and Scope ... Like several of the papers in this volume, Dagfinn Føllesdal's paper ('Existence, Inexpressibility and Philosophical Knowledge') is directed at the issue of the status of philosophical knowledge, but what is significant about this contribution is the broad historical sweep that it offers.

Philosophy News | What is Knowledge? Studying knowledge is something philosophers have been doing for as long as philosophy has been around. It's one of those perennial topics—like the nature of matter in the hard sciences—that philosophy has been refining since before the time of Plato. PHILOSOPHICAL KNOWLEDGE AND ITS HISTORY - Xavier Zubiri In respect to philosophy, this is even truer than it could be for any other intellectual occupation, because the character of philosophical knowledge makes of it something constitutively problematic. Zetoumene episteme, the sought after science, Aristotle almost always termed it. What is Philosophy? The Basics of Philosophy What is Philosophy At its simplest, philosophy (from the Greek or philosophia, meaning "the love of wisdom") is the study of knowledge, or "thinking about thinking", although the breadth of what it covers is perhaps best illustrated by a selection of other alternative definitions :

Knowledge How (Stanford Encyclopedia of Philosophy) If we call the knowledge present in the first kind of case "practical" and the knowledge present in the second kind of case "theoretical", then we can see that the debate between intellectualism and anti-intellectualism about knowledge-how is ultimately a debate about practical and theoretical knowledge, rather than a debate about when we should say that some subject "knows how" to do something.
